## IBM Cloud Account:

The screenshot shows a web browser window with multiple tabs open, including 'IBM Cloud Account' and 'Set Password | IBMId'. The address bar shows 'cloud.ibm.com/account/settings'. The page title is 'Account settings'. The left sidebar contains a navigation menu with items like 'Account', 'Account resources', 'Resource groups', 'Cloud Foundry orgs', 'Licenses and entitlements', 'Tags', 'Dashboards', 'Account settings' (highlighted), 'IBM Cloud Shell settings', 'Notification distribution list', 'Classic infrastructure', 'Subscriptions', 'Audit log', and 'Company information'. The main content area is divided into sections: 'Account' (NAVEENKUMAR R's Account, ID: f31c7562d8eb4a378060aaff746716e5), 'Account Type' (Trial (Free), 396 days remaining in Trial), and 'Account upgrade'. The 'Account upgrade' section has three columns: 'Pay-As-You-Go' (Add your credit card to unlock the full power of IBM Cloud with a Pay-As-You-Go account. You'll still be eligible for free runtime and service allowances, and you'll be charged only for paid services that you use. Learn more), 'Subscription' (Get discounted pricing and increased billing predictability when you commit to a set amount of usage over time. Learn more), and 'Need help?' (Contact sales). There is an 'Add credit card' button under the Pay-As-You-Go section and an 'Upgrade' button under the Subscription section. The bottom of the browser window shows a taskbar with various application icons and a system tray with the date and time (10:25 05-11-2022).
